

We do still have restrictions, but these will be reduced again when we reach 95% double vaccinated or December 15th. The Covid committee thanks the partners of the Lakes for their support and understanding in the past and look forward to our moving forward with our regathering, God willing, to a good measure of “normality”.

The Lakes Church Roadmap to Reopening (current as @ 6/12/21)

During the entirety of this Covid-19 pandemic the Covid committee has endeavoured to guide the Lakes through the many changing guidelines and orders which have affected our operations. We have an important responsibility to ensure no-one is left behind and our church is open, and safe, for all. This table has been put together to assist us all as we open up and to follow the Government roadmap.
